About Us

The Johnson Creek Newcomers and Neighbors Club was founded in 2007 as a not for profit organization that helps residents socialize and connect with their community. Club activities include a variety of programs: informal get togethers for women, play-groups, various charity events, holiday parties for adults and families and special interest activities such as craft night, game night and bunco.

Monthly Meetings

We meet the 4th Wednesday of each month at 6:30pm in the Johnson Creek Public Library meeting room where we socialize, enjoy a guest speaker, participate in a program of interest, get news about our club and its members and learn about upcoming events.

Socialize

Throughout the month, we offer various activities for our members and their families. We have a wide variety of events to suit individual interests.

Our Mission

The Johnson Creek Newcomers and Neighbors Club is a social organization enabling new and established residents of Johnson Creek and nearby towns to connect with their community through social and charitable activities.

Membership Information

Any person, 18 yrs or older, who resides in Johnson Creek or a nearby town is eligible for membership, as long as residency remains in Johnson Creek or in the nearby town, respectively. Annual dues for members are \$25, due annually in January.

As a prospective member, you may attend two regular meetings and one social activity of the club before you are asked to pay dues. Dues will be prorated depending upon the month in which you join.

We always look forward to welcoming new members to our club. For more information about our club or monthly meetings, please contact:
